Spanish Bay Lifestyle

Golfing

The Links at Spanish Bay is reminiscent in character of Scotland's finest and was designed by Robert Trent Jones Jr., Tom Watson and Frank "Sandy" Tatum. From the rolling fairways, white sand dunes and gusting winds to the plaintive strains of the bagpipe that signals the end of each day's play, The Links at Spanish Bay is an elegant, challenging journey into golf's beginnings. Number Two Spanish Bay has a view of the putting green just above the tee off mark on the first hole.

Health Club

Purchase a membership at the Spanish Bay Club and open yourself to a vast world of health and fitness just a short walk from your home. Facilities include eight tennis courts, a heated swimming pool, whirlpool spa, sauna, steam rooms, fitness center and locker rooms. Golf and tennis instruction, supervised exercise programs and spa services are also available for a fee.

Dining

Fine dining is a paramount feature of The Inn at Spanish Bay and four exceptional restaurants offer distinctive cuisine for your dining pleasure. Choices include Roy's at Pebble Beach serving Euro-Asian cuisine for which Roy Yamaguchi is famous. Pep-poli's features authentic Tuscan-style dishes paired with a wine-centered casual atmosphere. Sticks has a comfortable club-style environment, and showcases historic Pebble Beach sports memorabilia and multiple televised sporting events from around the world. Finally, Traps is a relaxing fireplace lounge offering appetizers and hors d'oeuvres with first fairway and ocean views.

Residence Services

The Inn at Spanish Bay offers Residence owners a variety of services. Concierge assistance with reservations, transportation, tickets, activities and general guest services is available to Residence owners. Services provided on a fee basis include catering, housekeeping, interior plant care, and landscape maintenance of the residence courtyard and terrace.

Tradition

No matter what your lifestyle entails at the Residences, you can end each day with the Spanish Bay Tradition: a lone kilted Scot walks the links, saluting the setting sun with his bagpipes. The fading echoes of his bagpipe song signal the end of another glorious day at Spanish Bay.
